ANNOUNCEMENT.

We herewith beg to hand you our Catalog of Peach Trees for Spring delivery of 1916. We wish also to state that we have the finest Block of Trees to offer that we have had for a long time.

These trees are grown on land that has never been Nurseryed before and are strong vigorous Trees, and are sure to please you.

This Nursery is located on the South side of the New Jersey Central Railroad and when traveling on trains can easily be seen.

We most cordially invite you to call and inspect our Nurseries. If you cannot call, write us and state what you want and the same will have our immediate attention.

Very respectfully yours,
C. A. CONOVER & SON.

C. A. Conover & Son, NURSEYMEN, Lebanon, New Jersey.

^a CARMINE.

Early white peach, very sweet, juicy and good bearers. Grows good anywhere. Little oblong. Ripens about August 1st.

CHAMPION.

Large white peach, grows round with red cheek. Heavy bearer, good seller and does good everywhere. Ripens about August 10th.

BELLE ~~OF~~ GEORGIA.

Large white peach with red cheek and perfectly round. Extra good grower, heavy bearers, excellent shipper, in fact one of the very best. Ripens about August 15th.

LATE CRAWFORD.

One of those old varieties of large yellow peaches which grows a little long, a trifle tart, fine shippers, good bearers, and a great seller in all markets. Trees being very hardy ripens about Sept. 10th.

REEVE/S ~~FAVORITE~~.

Large yellow peach, grows round, does good on any soil. Good shipper and very sweet. One of the oldest varieties grown. Ripens about August 20th.

ELBERTH/AS.

The best yellow peach grown. Gets very large. Sure bearer and grows anywhere. Best shipper on the market and brings the highest prices. A sure winner. Ripens about August 25th.

THE S. & A.

Something new! Large yellow peach very dry and mealy; making it an extra fine shipper as it will stand up for a long time. Grown from a seedling by Stigers & Apgar at Lebanon, N. J., and will make one of the leading varieties. Ripens about Sept. 1st. TRY IT.

CHAIRS ~~CHOICE~~.

Large yellow peach; grows round and very solid. Is known as one of the best for canning purposes. Ripens about Sept. 1st.

ed
OMIXONS.

Very large white peach, grows round and very sweet. One of the oldest varieties grown. Ripens about Sept. 1st.

XX YELLOW.

Large yellow peach, grows long and does fine on up-land. A very good shipper. Ripens about Sept. 5th.

STUMPS.

White peach, grows round and very sweet. Gets good size. Heavy bearers and good shippers. Grows good anywhere and brings big money in any market. Ripens about Sept. 10th.

LATE CRAWFORD.

One of those old varieties of large yellow peaches which grows a little long, a trifle tart, good shippers, excellent bearers and a fine seller in all markets. Trees are very hardy. Ripens about Sept. 10th.

Sup

MOUNTAIN RARERIPPE.

Large white peach; grows round; very sweet and mealy; red cheek, extra heavy bearers and hardy growers. A good shipper and brings big money in any market. Is one of the very best. We advise setting. Ripens about Sept. 10th.

FOX ~~SEEDLING~~.

Large white peach, very sweet and juicy, good shipper and brings big prices. One of the best late varieties grown. Ripens about Sept. 20th.

BEER SMOCK

= *Smock*

Large yellow peach well known to everyone. Needs no description. Ripens about Oct. 1st.

IRON MOUNTAIN.

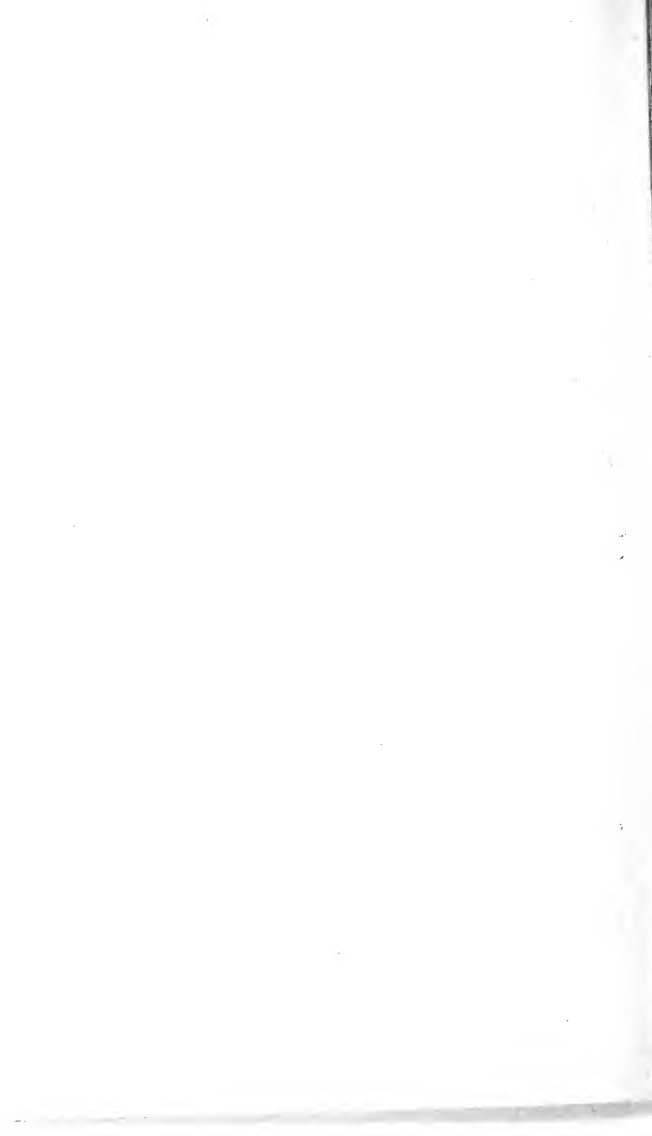

A large white peach known by all growers as the best late peach ever grown and brings fancy prices. A very hardy grower and bears young. A good shipper and will stand up several days after picking. Ripens from Sept. 25th to Oct. 1st.

OUR BUSINESS POLICY.
Best Quality At A Fair Price.

PLEASE NOTE.

We have been in the business of growing and selling Peach Trees for over 32 years to the entire satisfaction of hundreds of satisfied customers.

Why not let us sell to you.?

Special Notice.

All trees listed in this catalogue are grown from Tennessee Natural Pits and are guaranteed true to name.

All stock is inspected by the State Entomologist and are free from scale etc.

We grow nothing but peach trees.

All trees are graded as follows: 1 to 2½ feet, 2½ to 3½ feet, 3½ to 5 feet, 5 to 7 feet, and are priced accordingly.

WRITE FOR PRICES AND STATE WHAT YOU WANT.

Our Nurseries are located on the main line of The New Jersey Central Railroad and in the Great Peach Belt of Hunterdon County.
